Model for remodeling

Houseworks Unlimited Inc. in Mount Airy has won a prestigious Chrysalis Awards for Remodeling Excellence. Judged by editors and writers of Better Homes & Gardens, Today's Custom Home, Creative Homeowner and The American Institute of Building Design, the winners were selected from more than 520 entries from 50 states. The entries were judged on overall design, the creative use of space and materials, and the degree to which the project enhanced the original structure. Houseworks Unlimited won the award for best kitchen remodel between \$40,000-\$75,000. The project entailed remodeling a historic 1909 Frederick row house that had an outdated, and extremely small kitchen area, and turned into an upscale modern space. Using cherry cabinets and matching pine flooring, it looks as though it's been there forever.
